# Cemetery Trustees' Report.

---

We have tried, as in years past, to keep the cemetery in as good condition as possible with what we had to do with.

In the spring we got a new kind of grass seed and tried some of it on some of the perpetual care lots and we found it improved them. We were greatly handicapped by not having water so as to wet the lots properly in the dry season, and consequently the lots dry up and look brown. This cannot be helped until there is a water supply there so we can use a hose.

We have received from Miss Myrtle M. Marsh and Mr. James M. Curley \$150.00 to keep the Marsh and Curley lots in perpetual care.

Flowers were placed on all perpetual care lots on Memorial day.

of Greenville, N. H.

# School Board's Report.

---

To the Citizens of Greenville-

We herewith submit the following report:

By order of the Board of Health the schools were closed Mar. 19, 1915, for two weeks, as there had been several cases of scarlet fever.

No new cases developing after that time, the building was fumigated, and the schools opened April 5 with Miss Carrie G. Keysar in the Grammar room and Mrs. Violet W. Livingston as her assistant, Miss Mary G. Eastman in the Intermediate room and Mrs. Frances A. Blanchard as teacher in the Primary room, Miss Ruth Hayden having resigned that position a few weeks previously.

Music and drawing have been continued throughout the year under the supervision of Miss Emma Southwick and Miss Bernice Staples respectively.

May 15, a case of scarlet fever developed in Mrs. Livingston's family and consequently she was quarantined. Miss Keysar offered to take more of the work of the sixth grade, so with the 6th, 7th and 8th grades under her direct supervision, and with Miss Doris Wheeler assisting a few hours each day, the work was continued with very little interruption.

June 24, instead of the usual closing exercises in the Intermediate and Primary rooms, the two schools were combined and Field Day exercises held on the Ball grounds at 2 p. m. A fine program of songs and drills were carried out.

One of the best programs ever given at the graduating exercises was presented by the Class of 1915. Diplomas were awarded by Mr. C. A. Preston to the members of the class as follows:

Thomas Ash	Oliva Normand
Donald Batchelder	Helya Oikelmus
Lillian Bernier	Tyney Oikelmus
Rosanna Bernier	Willard Putney
Clarence Farrar	Laura Rodier
Edmond Lepierre	Frank Sawyer

Many expressions of regret were heard that Miss Keysar was to conclude her work with the school on this date. She had held the position of Principal for four years. Always willing and able to help in any emergency, her work has been faithfully and efficiently performed.

What ever repairs were necessary on the building were made during the summer.

The Fall term opened Sept. 7 with Miss Alice M. Hodsdon of Haverhill, Mass., a graduate of Plymouth Normal School, in the Grammar room.

Miss Mary G. Eastman continued in the Intermediate room, and Mrs. Violet W. Livingston was engaged for the Primary room. Mrs. Frances A. Blachard was later engaged to assist in the Grammar room.

The yearly enumeration of children in Greenville between the ages of 5 and 16 was made by Wm. H. Doonan as follows:-

Boys 162

Girls 180

Of this number 35 have not been in school because of age, sickness or having completed the Grammar course.

The schools closed Dec. 17 for the winter vacation.

Our proportion of the expense of No. 6 school in Mason has been paid, also High school tuition for two pupils at Colby Academy and twelve at Appleton Academy.

On Memorial day the school children assisted as usual. Lincoln's Gettysburg Address was given in the Town Hall by Willard Putney.

At the opening of the Fall term it was necessary to purchase quite a number of Histories and Reading books and other books for supplementary work have been added as needed. During this term it was voted to adopt the Palmer system of Penmanship in all the schools.

Sanitor drinking fountains have been placed in the basement and any one visiting the schools is invited to inspect them.

Oct. 11 was given to the teachers for Visiting day and the schools were closed Oct. 12, it being a legal holiday.

Dec. 3, the Teachers' Institute met at Milford. Three of the teachers and the members of the School Board attended.

At the close of the Fall term the pupils were notified by the Health officer, B. D. Pease, M. D., that all who had not been vaccinated must be, in accordance with Section 2, Chapter 93, Public Statutes of New Hampshire.

When the Winter term opened Jan. 3, it was found that many had not attended to the matter, but the law was enforced, although much to the detriment of the school work for a few weeks. Every pupil now must be able to present a certificate of vaccination upon entrance to the schools.

Legal holidays and the Thanksgiving recess have been observed as usual but no sessions have been lost during the year owing to inclement weather.

The School year of 37 weeks closed Feb. 11, 1916.

# Second Annual Report of The Water Commissioners

---

During the past year we completed the work at pump house, and extended the service pipe to the last house on River street. This proved to be very expensive owing to the unexpected amount of rock excavations which more than doubled the estimated cost.

We made 19 new service connections, and installed 31 new meters. We have found it necessary to remove most of the old meters and provide new ones in their place. The iron deposit in the water from the old system filled and clogged the meters so they would not work satisfactorily.

We now have 55 service connections and are supplying about 75 families.

## AUDITORS' REPORT.

We have examined the accounts of the following town officers: Selectmen, Town Treasurer, Water Commissioners, Fire Wards, Cemetery Trustees, Library Trustees, School Board and School Treasurer for the year ending Feb. 15, 1917, and find them correctly cast and properly vouched.

We find that the Road Agent's bills rendered to the Selectmen correspond with the orders issued to him.

# Cemetery Trustees' Report.

---

In the spring of 1916 we had the leaves raked up, the walks put in order and the grass cut so that on Memorial Day the cemetery was in good condition. Owing to the frequent rains in the early spring, the grass looked green for a longer time than usual, and needed trimming more.

We righted up quite a number of head stones and graded up lots where needed that were in perpetual care.

We received from Mrs. Wm. J. Tatro, twenty-five dollars, the interest to be used on the John Beaton lot; from Joseph E. Merriam, one hundred and fifty dollars, the interest to be used on the Geo. F. Merriam lot; from Charles S. Cowdrey, one hundred dollars, the interest to be used on the Sumner L. Cowdrey lot.

Flowers were placed upon all perpetual care lots on Memorial Day.

# Fire Wards' Report.

---

The Fire Wards respectfully submit the following report:

During the past year the department has answered two alarms; one for a fire at the Congregational parsonage on Pleasant street, Oct. 27th, the other at the home of David Proulx, Dec. 2nd. Very little damage was done at either place.

There have been a great many still alarms during the year, many of which would have been serious had they not been attended to at once.

The department suffered the loss of Mr. C. A. Preston, who died July 29th. He was a charter member of the company and one who will be greatly missed. He had served faithfully for many years as clerk and treasurer of the company.

We have purchased a number of hand fire extinguishers to be placed in various parts of the town so that the town will be better protected.

The company appeared in uniform, May 30, by invitation of Herman Shedd Post, G. A. R.

The Annual Library Day of the Greenville Woman's Club was observed on Nov. 27th. Mrs. Donald McDonald of Boston gave a dramatic recital from a play written by herself from the life of Napoleon.

The library has been open every evening and Saturday afternoon the past year and while the number of visitors has not increased, the number of books loaned is in excess of the preceding year, which shows the appreciation of the patrons of the library.

Respectfully submitted,

The Trustees.

### To the Citizens of Greenville.

We herewith submit the following report:-

Schools opened March 27 with Miss Alice M. Hodsdon in charge of the Grammar room and Mrs. Frances A. Blanchard as assistant. Miss Mary G. Eastman teacher in the Intermediate room and Mrs. Violet W. Livingston in the Primary. No change in the Music or Drawing Supervisors was made from the previous year.

May 9 a case of diptheria was reported and all pupils who were known to be exposed were quarantined. No new cases developing these pupils were notified to return at the proper time.

The Intermediate and Primary rooms closed June 15 for the summer vacation. June 16 the pupils in the Grammar room gave a pleasing program and Miss Olive Wright, the only pupil to be graduated from the school in 1916, was presented a diploma by the Chairman of the Board.

On July 29 the whole town was shocked to learn of the death of Mr. C. A. Preston following a sudden illness of the previous day. He had served the town in many capacities and as a member of the School Board for 15 consecutive years. In that position he had proved himself a man of unusual ability as shown in all matters pertaining to business and also in his friendliness and thoughtfulness for the children under his supervision. A man of most exemplary character and sterling worth his loss is keenly felt.

The repairs during the summer were more extensive than some years past as it had been found necessary to replace the toilets in the boys' basement. These repairs commenced under Mr. Preston's supervision were satisfactorily completed.

The Fall term opened Sept. 5 with Miss Hodsdon in the Grammar room, but the number of pupils being less than usual it was thought an assistant was not necessary.

Miss Nellie Hayes, a graduate of Plymouth Normal School, had been engaged for the Intermediate room and Mrs. Livingston was continued in the Primary.

Sept. 30, H. P. Upham was appointed by the School Board to fill the vacancy for the rest of the year, caused by the death of Mr. Preston.

The yearly enumeration of children between the ages of 5 and 16 was made by Wm. H. Doonan as follows:

Boys 150

Girls 159

The schools closed for the Winter vacation Dec. 15.

According to custom the pupils assisted on Memorial Day in decorating the soldiers' graves. Lincoln's Gettysburg address was given at the cemetery by a number of pupils from the Grammar room.

New books have been added as needed and during the Spring term Winston's Cumulative Encyclopedias were purchased. Our proportion of the expense of No. 6 school at Mason has been smaller than usual as has our High School tuition, having had but three students at secondary schools this year for which the district paid.

All legal holidays, visiting day for the teachers and the Thanksgiving recess have been observed but only one session has been lost owing to severe storms.

The school year of 38 weeks closed February 9.

The following pupils are entitled to a place on the roll of honor:
